ESOL

General information

You have to be in the UK 6 months to go to a class (except for on-line courses)

If you are attending one face to face class, you cannot usually also attend another face to face class.

You can email this address to ask for more information:

LRITesolandcareers@lancashire.gov.uk.

There are several different providers of English teaching.

Lancashire Adult Learning

Classes in Haslingden, Accrington, and other places. To start a class you first need to complete a 45 minute assessment so they can decide what level you are. You can say which site you would prefer to study at. You do not have to have the appointment at the same place where you want to study. There are opportunities to start throughout the year.
